

Dyslexia Awareness Week 6 – 11 November 2017

Dyslexia: did you know...?

Things to do in your workplace

You could show the **Kara Tointon BBC3 documentary** 'Don't Call Me Stupid'. The programme is available in 4 parts on YouTube.

Hold an awareness session or have a display – Dyslexia Scotland can supply some leaflets. Have our general presentation (on the main page) about dyslexia running on a loop in your reception or staff area.
